

DELETE FROM LOCATION

WHERE LOCNO='L108';

SELECT * FROM LOCATION;

The screenshot shows a SQL query execution window titled "Coursera_Assignments". The query entered is:

```
DELETE FROM LOCATION
WHERE LOCNO='L108';
SELECT * FROM LOCATION;
```

The execution status bar indicates "Task completed in 0.022 seconds". Below the query, the results are displayed in two sections:

1 row deleted.

LOCNO	FACNO	LOCNAME
L100	F100	Locker room
L101	F100	Plaza
L102	F100	Vehicle gate
L103	F101	Locker room
L104	F100	Ticket Booth
L105	F101	Gate
L106	F100	Pedestrian gate
L107	F104	Gate
